Description

This , sprawling rustic home offers over 4,000 square feet of space. The impressive exterior welcomes you with its covered front porch and arched door and the massive 3-car garage that's on a 45 degree angle and arched carriage style doors. Step inside this splendid home and the foyer guides you along a stone half wall into the great room that is truly great. With built-ins, a media center, fireplace and being open to the kitchen, breakfast area, and dining room, the great room is sure to be the gathering spot. Prepare to be in the lap of luxury when you retire to your master suite with a sitting area in a bay window and a private access to the covered grilling porch. Large his and hers closets are just outside the double doors to the master bath. In the master bath you'll find a huge glass shower that has 2 seats and 2 entrances, each door being at a 45 degree angle. Off to the side is the recessed whirlpool tub. And there's even a walk-in linen closet and 2 private toilets. Adjacent to the kitchen is a huge laundry room and a walk-in pantry. Bedrooms 2 and 3 each have walk-in closets and private full bathrooms. The 3-car garage has plenty of

storage space and even has a work shop and a convenient half bathroom.
