Description

MEN 5382

From award-winning designer Michael E. Nelson comes a brand new addition to our European House Plan Collection. Aberdeen Place offers a spacious design with an open floor plan, spiral staircase, and plenty of room for your growing family. The main floor offers a stunning grand piano room upon entering through the front door, along with a luxury kitchen complete with a large eat-at island in addition to a center island and a hidden walk-in pantry with more space than you could imagine. The luxurious master suite is found to the right of Aberdeen Place and not only enjoys private access to a stunning grilling porch for the perfect outdoor living space, but also stretches into a home gym. The master bath is fully equipped with a tile/glass shower, dual vanities, and a free-standing tub, and a massive walk-in closet features stairs to an optional basement. The left

side holds two bedrooms sharing a hallway bath, and a 2-car garage, shop, and RV garage makes for a luxury storage space. The upper level is host to even more space including a game room, craft room, bonus room, two bedrooms, and a balcony overlooking the luxurious great room. How would you customize this amazing house plan?

****please note this house is designed for ICF construction method, wooden frame version available***
