Description

The Double Retreat (MEN 5435) brings together modern farmhouse charm with a spacious, functional layout perfect for contemporary living. This stunning single-story home offers 3,067 sq. ft. of living space, featuring three bedrooms and three full bathrooms, making it ideal for families seeking both comfort and style.

At the heart of the home, you'll find an expansive great room with soaring vaulted ceilings that seamlessly flows into the kitchen and dining area. The kitchen is designed to impress, with a large center island and walk-in pantry providing both beauty and functionality. A dedicated home office adds convenience, whether you're working remotely or tackling personal projects.

The private master suite is tucked away for added tranquility, complete with a luxurious en-suite bath and a spacious walk-in closet. Two additional bedrooms each come with their own

bathrooms, offering flexibility and privacy for family or guests.

Outdoor living is just as inviting, with 788 sq. ft. of porch space, including both front and rear covered porches—perfect for relaxing or entertaining. The three-bay, side-load garage ensures ample space for vehicles and storage.

With its seamless blend of modern design and classic farmhouse elements, the Double Retreat offers a warm, welcoming space designed to fit your lifestyle.

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
