Description

NDG B1019

A stunning addition to our Barna Log House Collection, The Rugby is the getaway home you have been looking for! Just under 1100 sq.ft., this charming log home would look so serene in the middle of a clearing in the woods. Imagine waking in this comfortable home to the birds chirping and the cicadas singing! Inside, you are greeted by the cozy Great Room, which expands into the Kitchen/Dining area. This open floor plan makes for a perfect entertaining space, and the Grilling Porch serves as a great place to gather outside. Continuing to the right of the home, you will pass a functional laundry room, along with a spacious hall bath with dual vanities, before reaching Bedrooms 1 and 2. Bedroom 1 enjoys a sizeable walk-in closet, while Bedroom 2 looks out onto the front Covered Porch. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
