Description

This multi-family plan features a shared porte cochere, perfect for dropping off family or friends before parking in the rear garage. An inviting wrap-around porch adds charm to the front while the spacious great room offers a fireplace. The cozy kitchen has an eat-at peninsula bar and is open to the dining and breakfast rooms. Around the corner is the master suite with a great walk-in closet, and double vanities, a corner whirlpool tub and glass shower. 2 additional bedrooms are located at the front of the house, off of the great room, that share a bathroom. And a massive optional bonus room could offer tons of ideas upstairs.
