Description

Columns on a deep front porch give historical value while the interior of this Nelson Design Group plan is designed with a high tech lifestyle in mind. A computer center is placed in the breakfast room and kitchen area for ease of mind while an angled bar with seating gives the family a great place to hang out. The nearby great room has a fireplace and media center and stairs leading to the upstairs bonus area. The well-designed master suite is located apart from the two additional bedrooms, for added privacy.
