Description

There's room to do a lot of living without taking up a lot of space in this traditional dual family plan from Nelson Design Group. The charming Porte Cochere is a focal point of this mirrored twin design. Other exterior highlights include a covered front porch and an entry porch in the rear of the home. Inside features a main floor master suite with a giant walk closet and master bath with both a separate whirlpool bath and shower. The stairs from the foyer leads to three more bedrooms, a home theater/game room, and a unique bonus room.
