Description

From the dormer windows to the columns on the covered front porch, your eyes are drawn to the exquisite exterior details of this dual family plan from Nelson Design Group. The Porte Cochere acts as a unifying feature and adds even more visual interest. Inside the mirror image floor plans the masterful use of space allows open airy rooms with 9-foot ceilings on the first floor. The master suite's bath includes a double vanity, glass shower and whirlpool bath. Other features include a great room fireplace and media center. Good times are waiting outdoors on the grilling porch. Upstairs highlights included a bath and two bedrooms with a computer center in between that offers convenience.
