Description

Note: 8-inch concrete wall construction and tile roofing. See NDG-202 for a standard wood-framed version.

Striking front and rear arches adorn this attractive four-bedroom plan. Inside a spacious foyer opens to an elaborate formal dining room column-lined gallery and expansive great room all sharing 12 foot ceilings. The fourth bedroom can do double-duty as an office and includes a private entrance to the screened lanai. French doors enhance the transition from the master bedroom to the bath that showcases a dual-sink vanity and oversized whirlpool tub backed by glass blocks.
