Description

This home has dormers with copper roofing and a covered porch for lovely street appeal. From the foyer you'll find a study/home office or fourth bedroom if needed, across from a formal dining room with a column-lined entry. The large great room with built-in wet bar and a large fireplace are centrally located for a family oriented atmosphere. A large breakfast room accesses the covered grilling porch perfect for entertaining. After a long day retire to your master bedroom with French door entry to your elegant master bathroom complete with whirlpool tub, separate shower and large walk-in closet. The upstairs has a built-in computer desk for study time, two bedrooms, a full bath, and a large optional game/bonus room .
