Description

The sleek hip roof line and traditional exterior on this Nelson Design Group design will be a refreshing addition to any neighborhood. An entry porch with 8-inch columns will welcome guests into this well-designed three bedroom home. The spacious great room, with optional fireplace will host many evenings of popcorn, soda and your favorite family movies. A clever half-wall gives separation to the great room and kitchen allowing for just enough wall space to showcase your antique buffet or small computer center and breakfast room table, and a nearby grilling-porch is located just steps away. Two of the three bedrooms have large walk-in closets and share a spacious bathroom. The master bedroom contains a large walk-in closet and private bathroom. This great design is complete with a single garage with storage.
