Description

This charming home from Nelson Design Group would be the perfect starter home. Settle into the great room with boxed ceiling for a movie after dinner. Tuck the kids into bed in the two additional bedrooms before heading to your master suite for the night. Or, if you haven't started your family yet, you could use the two bedrooms as an office and a guest room. A grilling porch is also available at the rear of this home for summer cookouts. There are always plenty of options available with this design.
