Description

Your family will be proud to call this Nelson Design Group home your own. The openness of the great room, as well as the vaulted ceiling and fireplace, will be excellent conversation starters. Serve the kids a quick snack as they sit at the bar included in the kitchen, or sit down to a meal with the family in the dining room. At the day's end, tuck in the children in the two secondary bedrooms before retiring to your private master suite for the night.
