Description

NDG 327

A stunning addition to our Traditional House Collection, Willow Lane boasts a splendid arched entry, accentuated by elegant dual columns and flanked by charming dormers, that meshes cleanly with smooth stucco and rock exterior. Through the Foyer, you will step into a massive Great Room, complete with a cozy fireplace with media center, and adjacent, the Sunroom demands attention with a stylish double French door entry, twin sky lights, and quick access to three distinct areas of the home. One of these areas, the Screened Porch, is sure to be a hit, with atrium doors serving as entry to the Master Suite and a door beside two bay windows leading into the Kitchen/Breakfast Room combo. Here, you will find a cozy breakfast bar, built-in desk, and entry to the formal Dining Room, effectively maximizing your time with family during all hours of the

day at Willow Lane.

A hallway to the left houses a convenient half bath, large Laundry Room with entry to the 2-car Garage, staircase to the upper level, and access to an additional entry porch. Making a sharp right from the Kitchen/Breakfast Room combo will take you into the large Master Suite, where a beautiful boxed ceiling welcomes you into the bedroom. Entry to the luxury Master Bath is flanked by spacious his and her walk-in closets, and farther ahead, you will enjoy his and her vanities, one of which includes a makeup station; a glass shower with a seat; and a whirlpool tub. On the opposite side of Willow Lane, the kids will surely enjoy all the space their bedrooms provide. Bedroom 4 is the largest and features private access to the hall bath and Sunroom, while Bedroom 2 can easily be used as a home Study, complete with a spacious closet and built-in shelves. Upstairs gives you plenty of space for attic storage, or even a Bonus Room to suit any additional needs you may have. How would you customize this amazing house plan?
