Description

This incredible rustic plan mixes stone, brick, siding, and timber to create a very striking exterior with a very inviting front covered porch with stone based timber columns. This home offers a large open great room with a fireplace, open kitchen with a walk-in pantry and adjacent breakfast room and access to the grilling porch. Between the kitchen and dining room is a butler's pantry. The master suite is also on the 1st floor and has a large walk-in closet. 2 more bedrooms are upstairs along with an optional bedroom/flex room and each have walk-in closets. A loft/TV room with a balcony overlooking the great room separates the 2 bedrooms. There's also 2 bathrooms, a well-designed computer center and built-in book shelves, and a bonus room over the garage.
