Description

NDG 1346

A stunning addition to our European House Collection, Veronique will make you feel like royalty! Step into the Foyer, flanked by a Home Theater within an elegant turret on the right and the Dining Room on the left. Ahead, the open floor plan allows the Great Room and Kitchen/Breakfast Room combo to flow seamlessly together, sharing a beautiful timber beam ceiling. The Great Room boasts a cozy fireplace with built-ins on either side, as well as access to the spacious Outdoor Living/Grilling Porch. The Kitchen gives you plenty of space to prepare meals with a center prep island and eat-at island bar. Retreat to the Master Suite, privately located on the left side of Veronique, and enjoy the massive bedroom below a beautiful boxed ceiling, as well as private access to the Outdoor Living space. The Master Bath will help you relax all your stress away, with

luxuries of a whirlpool tub, corner glass shower, L-shaped dual sink vanity, and huge walk-in closet. The Laundry Room is conveniently located nearby, making laundry day a breeze, and entry to the 3-car garage allows it to double as a mudroom. Bedrooms 2, 3, and 4 are located on the other side of the home, including a hall bath and a Jack and Jill bath between Bedrooms 2 and 3. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
