### Description

## MEN 5314

From award winning home designer Michael E. Nelson comes Fall Creek Place, a Craftsman Bungalow perfect for your next build. This one-of-a-kind retreat features board & batten siding, and wooden and stone accents add to the craftsman curb appeal. A large covered porch wraps around the side of Fall Creek Place to frame the house plan perfectly. This 2 story, 3 bedroom home offers an open floor plan with tons of entertaining potential. A grilling porch at the rear of Fall Creek Place adds to the wrap-around to create great outdoor living options as well.

### Main Level Master Suite

The master suite on the main level of Fall Creek Place boasts tons of natural lighting, as well as great space. The master bathroom offers a double vanity, large shower, private toilet room, and walk-in closet. Easy access to the laundry room can also be found through the master bedroom to make laundry day a little more simple.

## Customizing This House Plan

Making this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: [info@nelsondesigngroup.com](mailto:info@nelsondesigngroup.com) or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
