Description

MEN 5324

From award winning home designer Michael E. Nelson comes Hunnington Cottage, a beautiful addition to our Cottage Collection. Stunning grey board & batten exterior pairs nicely with white columns and stone accents. Exterior lighting helps illuminate the double garage, along with the covered front porch and entryway.

Open Floor Design

Hunnington Cottage offers a stunning open floor plan concept with a large open great room that opens up to the kitchen, featuring an eat-at kitchen island, and the attached dining room. Large picture windows and sliding glass doors illuminate Hunnington Cottage with a ton of natural light.

Main Level Master Suite

The master suite of Huntington Cottage offers vaulted ceilings and a spacious master bathroom featuring a private toilet room, double vanity, glass shower, free standing tub, and large walk-in closet.

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
