Description

MEN 5321

From award winning home designer Michael E. Nelson comes a stunning take on Barndominium Design. Grey Horse Ranch is a two level masterpiece that comes fully equip with with over 3000 sq. ft. of living space and character like no other. With a beautiful wrap around porch, stone and wood columns, and metal roofing, the curb appeal stands out apart from the rest. With a rustic farmhouse aesthetic and a beautiful open floor plan, Grey Horse Ranch is truly eye-catching.

Open Floor Design

Upon entering Grey Horse Ranch, you'll find yourself speechless at the sight of the open floor plan

and tall vaulted ceilings. One open room that houses your open kitchen concept, walk through dining area, and great room offers tons of entertaining potential. A tall stone fireplace helps layout the great room perfectly while wrap around cabinets and an eat at kitchen island frame the beautiful kitchen area. To the right of the kitchen, you'll find the entry to the butlers pantry while on the left side, you'll find entry to the hallway and staircase leading to the second level.

Main Level Master Suite

The master suite of Grey Horse Ranch is located at the rear of the house plan offering tons of privacy while also giving tons of natural light through the windows and private access to the wrap around porch. The master bathroom offers a double vanity for couples, a private toilet room, a large free standing tub, walk in shower, and access to the laundry room for ease on laundry day. The large master closet is framed by linen cabinets, perfect for towels and hidden bathroom essentials.

Upper Level Living

Up the stairs, you'll find the beautiful balcony/loft area overlooking the great room below. Bedrooms 2 and 3 can also be found upstairs right beside the share upstairs bathroom. Tons of space can also be added with the optional bonus room over the 3 car garage.
