Description

MEN 5375

From award-winning designer Michael E. Nelson comes the newest addition to our European House Collection. La Manche Place is the ultimate house plan that is sure to have you living in luxury. Stone accents contrast nicely against a neutral exterior, and the porte-cochere not only offers a grand entry for your vehicles, but also a level of curb appeal that will make passersby look twice. A massive open kitchen sharing a breathtaking vaulted ceiling with the breakfast nook makes for the perfect place to gather, and a luxury walk-in pantry holds a freezer and dishwasher. Down the hall you will find a formal dining room and guest suite with a private bathroom. Outside is a screened porch with a full outdoor kitchen, perfect for outdoor dinners. On the left side of La Manche Place is the stunning master suite, complete with two massive walk-in closets and a full

master bath, equipped with a wet bar, a free-standing tub, and a luxurious sitting area. To the right are bedrooms 2 and 3, which enjoy walk-in closets and full private bathrooms. How would you customize this amazing house plan?
