Description

MEN 5388

From award-winning designer Michael E. Nelson comes the newest addition to our Rustic House Plan Collection. With all the charms that come with a cozy cabin, Slow Creek Falls offers a stunning layout and even more curb appeal. A wrap around porch offers tons of outdoor living opportunities, while the interior leaves nothing to be desired. A stunning great room open to the floor above creates a luxurious feel, and a large eat-at kitchen island includes the kitchen and dining room in the great room experience. The master suite of Slow Creek Falls offers a luxurious experience with a breathtaking vaulted ceiling and charming barn doors throughout. Enjoy a walk-in closet and the perfect master bath, complete with a double vanity, free standing tub, and large walk-in tile shower. The upstairs features bedrooms 2 and 3 sharing a bathroom and a cozy

overlook to the downstairs great room. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
