Description

MEN 5404

From award-winning designer Michael E. Nelson comes the newest addition to our Traditional House Collection. Mill House Place enlists a classic white exterior and a simple covered porch to create a charming curb appeal sure to attract any passerby's attention. Inside you will find an open space featuring a great room with a cozy gas fireplace, a dining area, and the kitchen. The master suite is located at the rear of Mill House Place, complete with a walk-in closet and a master bath featuring dual vanities. Bedrooms 2 and 3 share a bathroom down the hall from each other and enjoy dual vanities as well. A relaxing patio outside further adds to this home's character. How would you customize this amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
