Description

MEN 5406

From award-winning designer Michael E. Nelson comes the newest addition to our Mediterranean House Collection. A gorgeous porte-cochere in the center of the driveway not only offers Waters Edge Retreat a ton of curb appeal, but also offers some privacy to your front door. Inside you will find a massive great room with a breathtaking sky window situated above a vaulted ceiling. To the left you will find a luxury kitchen with every feature you could ask for. A center island, tons of counterspace, and an angled wet-bar with seating allow for the perfect place to entertain guests, and a vaulted ceilinged sunroom is the perfect addition to this luxury home. On the left side of Waters Edge Retreat is the master suite of your dreams, complete with stunning vaulted ceilings and a cozy fireplace. What will really have you catching your breath, however, is the luxury master

bath, featuring dual vanities, a glass walk-in shower, a whirlpool tub, and access to a huge walk-in closet. The right side holds bedrooms 2 and 3, which share a Jack and Jill bathroom. Bedroom 4 may be utilized as an exercise room. Waters Edge Retreat also has a 3-car garage, complete with an extra storage closet and storm room. How would you customize this amazing house plan?
