Description

Take a break from your long RV Journey with MEN 5425, Aspen Retreat! This house plan offers ample space to park your cars or even an RV on the main floor! Pull into your beautiful vacation home with your RV, and then take the journey up the stairs to your spacious and modern Open Floor Plan Home. As you come up the stairs you will find yourself in the lovely living area. This lovely living area sits alongside the outdoor covered balcony. Enjoy a cup of coffee on a cold morning overlooking the lake. Entering back into the house you will find that the open floor plan leads you to a cozy kitchen. This kitchen features an eating area and island perfect for your eat-in kitchen! Next to the kitchen will find the bedroom suite with its own large bathroom and walk-in closet. This plan also features a half bath, a front-load garage, vaulted cathedral-high ceilings on the balcony, and more!

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
