Description

MEN 5444 Rolling Hills Farms will easily be one of the most unique Farmhouses on the block with its sleek lines, board and batten siding, beautiful windows, and mixed roofing materials. This will make the perfect home for any growing family.

Great Room/Kitchen

This one-story home will be a very accommodating space throughout your years. When you pull up to this home you will be in awe of the contrast and striking curb appeal. Enter this home off of the large covered porch and find the foyer that leads you either to the open dining room or the heart of the home. The great room includes a Vaulted High Cathedral Ceiling, a soaring gas-stone fireplace, gorgeous faux beams, and a great view of the kitchen. In the kitchen, you'll find space to cook on the stove or use the large kitchen island for extra space. On the rear of the kitchen, you'll

discover a cozy breakfast nook, and on the opposite side, you'll love the walk-in pantry with a sink for extra prep space.

Outdoors

Aside from the spacious front covered porch, you'll find plenty of space out back for entertaining your many guests. Out back you'll find a sitting area by the second gas fireplace in the home, an outdoor living space with a vaulted ceiling, a grilling porch, and a breezeway that leads to the garage. This house plan includes a 2-bay front-load garage with a large storage space.

Master Suite

The spacious master suite also has a Vaulted High Cathedral Ceiling for an astonishing view while relaxing in bed. You may never want to leave your suite when you discover the master bathroom that includes a freestanding tub, two sinks, and a glass shower with a shower seat. This room also includes a walk-in closet and access to the laundry room for convenient and quick laundry trips. The Master Suite is also right next to the mudroom that includes a shower, sink, and linen closet. This room also includes a private split bedroom design away from the other 3 bedrooms in the home.

Bedrooms 2 & 3

MEN 5444 includes tons of versatility with Bedroom 2, on the other side of the foyer, doubling as either a guest room or study for remote work. Bedroom 4 is a spacious bedroom perfect for a child to grow in. This room also includes a vaulted ceiling, a large closet, and access to a Jack and Jill bathroom. Bedroom 3 has a linen closet on the exterior, has a large closet, and leads to the Jack and Jill bathroom as well. This Jack and Jill bathroom has sinks on opposite sides to give both users their personal space to get ready, storage, and a large shower.

This home has several features that we know you'll fall in love with as you begin to imagine your future in this home! Enjoy this home for many years to come when you make it your own. How would you customize floorplan MEN 5444 MEN Rolling Hills Farms, Farm House Plan?
