Description

MEN 5448 Jackson Hole Farms II is an incredible Farmhouse with a dark, moody, and natural look on the outside. This eye-catching home offers beautiful windows and arts and crafts features on the exterior.

Get ready to step into your luxurious open-floor plan house plan. Through the foyer, you can either enter the formal dining room or the open great room/kitchen. In the great room, you won't be able to stop gazing up at the high cathedral-vaulted ceiling. Sit cozy in front of the fireplace or cook a delicious meal in the very large kitchen.

Access the outdoor living space/grilling porch from the great room. When you're ready to head to bed find the master suite when you pass through the kitchen to the gorgeous hallway. You'll enjoy

the spacious bedroom complete with a private master bath. In the master bath soak in the tub or step into the shower with two seats. Hang your clothes in the very large closet or enter through this closet to a laundry room you'll never want to leave.
