Description

MEN 5460 offers a rustic, yet modern living experience, perfect for those seeking comfort in a natural setting. This 2.5-story cabin spans 2,321 sq. ft., with three bedrooms and two and a half bathrooms, making it ideal for a getaway or full-time residence.

The main floor features an open great room, dining area, and kitchen, creating a welcoming space for family gatherings with a massive wall of windows to brighten up the space. The master suite is conveniently located on the main floor, offering a spacious walk-in closet and an en-suite bathroom for privacy and comfort.

Upstairs, two additional bedrooms share a full bathroom, offering ample space for guests or family. A half bath on the main floor and a laundry room add practical touches to the home's layout.

Outdoor living is a highlight, with a large rear deck extending the space for relaxation and enjoying the surrounding nature. With its perfect blend of rustic charm and modern functionality, the Appalachian Retreat is a cabin that truly feels like home.

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
