Description

NDG Pinecrest Way House Plan – Spacious 3,687 sq. ft. Home with Modern Comfort

The Pinecrest Way house plan from Nelson Design Group (NDG) is a beautifully designed home ideal for families seeking space, style, and functionality. This plan features approximately 3,687 sq. ft. of living space, 4 bedrooms, 3.5 bathrooms, and a 3-bay garage, providing plenty of room for family living and entertaining.

The open-concept main floor seamlessly combines the living room, dining area, and kitchen, enhanced by large windows that flood the space with natural light. The luxurious primary suite with walk-in closet and private bath offers a retreat for homeowners, while additional bedrooms provide flexibility for children, guests, or a home office.

Thoughtful design extends throughout the home, including a functional laundry area, ample

storage, and a covered patio for outdoor enjoyment. With its elegant exterior and intelligently planned layout, the Pinecrest Way plan is the perfect choice for those searching for a modern house plan that blends comfort, style, and practicality.
