Description

NDG B1049

A stunning addition to our Barna Log House Collection, The Savannah paints a picture of trading in the hustle and bustle of the city for a cozy cabin with a wrap-around porch, where the only sound is the chirping birds. Inside creates this same feeling of serenity, with an open floor plan encouraging quality family time and a corner wood stove providing warmth to the whole Great Room space during the cold months. The rear of the open floor plan leads you into the Dining Room, where you can enjoy a great view of the 8-foot Grilling Porch and even directly access the space. The Dining Room opens into the Kitchen through an eat-at bar, making weekend grilling parties a breeze. Adjoining the Kitchen is the Laundry Room, which also accesses the Grilling Porch, perfect for transferring newly washed clothes onto a clothesline outside!

The right wing of The Savannah is occupied by the Master Suite. The spacious bedroom boasts a great view of the front porch, and side entry to the wrap-around porch gives you and your partner your own private outdoor living space. Continuing to the rear of the home plan, you will pass a linen closet and walk-in closet to enter into your luxurious Master Bath, complete with a corner whirlpool tub, separate shower, and dual sink vanity. The left side houses Bedroom 2 with a spacious closet and a hall bath. Upstairs is perfect for the kids! A large Loft would be perfect for a game room or playroom, and walk-in closet serves as a great place to store games and toys. Here you will also find a private balcony overlooking the wrap-around porch and backyard. Flanking the Loft are Bedrooms 3 and 4, which each feature a walk-in closet and two attic space closets. These bedrooms share a full bath adjacent to Bedroom 3. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing
