### Description

## NDG 1085

A stunning addition to our Affordable House Collection, Victoria features a classic brick exterior with lovely columns and vinyl siding. Inside, all family members will love the privacy of the plan but will also take comfort in the fact that no one is too far away. A spacious Great Room leads way to the hallway housing Bedrooms 2 and 3 and their shared hall bath. Plenty of storage space is enjoyed, with each bedroom holding a walk-in closet and a sizeable linen closet separating the two. Continuing from the Great Room, you will find yourself in the Kitchen, which is separated from the adjoining Dining space by an eat-at bar counter, allowing for continued gathering even during meal prep. To the right, you will find entry to the 2-car garage, as well as your relaxing Master Suite, complete with a spacious walk-in closet and Master Bath. You also have the option to

include an adjacent rear covered porch, with an atrium door granting private access. How would you customize this amazing house plan?
