Description

NDG 761

Let the fireplace and cozy atmosphere of Ramsey Drive, a stunning addition to our Affordable House Collection, beckon you inside on cold winter days. Make your way through the foyer and into the great room, where the fireplace surrounded by built-ins will warm you up as you relax. A center island, just one of the luxuries you'll enjoy in this stylish kitchen, is steps away from the breakfast room. The dining room is completely separated from this space, allowing for the formal meals you desire. This split bedroom design offers privacy for all family members. The master suite features a boxed ceiling and lavish bath, tucked quietly away from the two additional bedrooms. A cozy grilling porch is also featured, and a 2-car garage holds all the space you've been needing. How would you customize this amazing house plan?
