Description

NDG 1478

A stunning addition to our European House Collection, Ridgemont Circle offers a spacious open floor plan with a stone and brick exterior. With the castle-like detail of the curved wall circling the stairs and a common theme of arches, this home has elegant curb appeal. Inside, a grand Foyer opens up to the Great Room, which features a fireplace flanked by built-ins and a bank of windows allowing filtered natural lighting to pour in from the Screened Porch/Breezeway. The formal Dining Room is partially open to this space, and to the right, the Kitchen begins with a center eat-at island. A sink and dishwasher face the Great Room to allow for continued gathering during meal prep and cleanup, and the adjoining Breakfast Room is the perfect place to enjoy your morning coffee with a view. Here you will also find a Kid's Nook, complete with a bench with hanging

storage, offering easy entries from and exits to the 2-car garage via the Breezeway.

On the left side of Ridgemont Circle, the Master Suite boasts private access to the Screened Porch/Breezeway, as well as a gorgeous boxed ceiling. The Master Bath is sure to enhance your rest and relaxation, with a whirlpool tub and a corner glass shower. A dual sink vanity pairs with a massive walk-in closet to make morning rushes easy. On the opposite side, Bedrooms 2 and 3 share a Jack and Jill bath and each enjoy a spacious walk-in closet. Upstairs, you will find Bedroom 4 and a Media Room. Bedroom 4 features a spacious walk-in closet, as well as private access to the hall bath. This hall also holds a computer center, perfect for a study area. There is also a large Bonus Room that offers plenty of possibilities. How would you customize this amazing house plan?
