Description

NDG 1434

A stunning addition to our European House Collection, Evandale Court is packed with charm, with castle-like details adding to its elegant curb appeal. Inside, a brief Foyer gives the option to allow your guests to immediately enter their quarters upon entry. This Guest Room is sure to please, with a curved wall of windows looking out to the front of the property. The main entry leads in from the 2-car garage entry hall, where a Kid's Nook, Laundry Room, and hall bath can also be accessed. Straight ahead is the open floor plan, joining the massive Great Room, Kitchen, and Dining Room together. The family can spend quality time together enjoying the rear Grilling Porch, complete with a fireplace and optional outdoor kitchen, gather around the Great Room fire, or chat with the cook at the eat-at bar in the Kitchen.

The left wing of Evandale Court is occupied by your Master Suite. The master bedroom features a 10-foot boxed ceiling with private access to the Grilling Porch, while the Master Bath offers a whirlpool tub, separate shower, double vanity, and a walk-in closet for your enjoyment. Upstairs there are two additional bedrooms, one of which shares the curved wall of windows in the Guest Room. A balcony with a sitting area overlooks the Great Room, while the Loft/Study has a computer center perfect for the kids to do their homework, or for a home office space. The large Bonus Room over the garage is a great place for a media or game room. How would you customize this amazing house plan?
