Description

MEN 5199

From award-winning designer Michael E. Nelson comes a stunning addition to our European House Collection. Corbin Manor brings elegant curb appeal to your neighborhood with a blend of stone and brick siding accented by the castle-like turret and intricate rooflines. Making your way into the home, you will find yourself in the foyer, where you can admire the open floor plan design of the dining room, great room, and kitchen, perfect for entertaining. Guests can enjoy the cozy fireplace or sit at the large eat-at bar in the kitchen for a casual chat with the cook. Bedrooms 2 and 3 are located behind the kitchen and share a Jack and Jill bath between them. You will also find the spacious laundry room, a convenient half bath, and entry to the 3-car garage on this side of the home. Heading to the opposite side of Corbin Manor, you will find yourself in the huge

master suite, accessible from the foyer. This space features a large bedroom with a beautiful boxed ceiling and private access to the outdoor living area. You can enjoy a relaxing hot rinse in the tile shower, complete with a rain head for extra comfort. Up an elegant spiral staircase is the game room/media room, boasting a wet bar and mechanical room for convenience, as well as a massive upper living room and balcony. There are also 2 additional bedrooms and a full bath, perfect for the teenager of the family and a nice guest suite.

Other great features of this home include:

- A coffee bar located just off the kitchen
- Plenty of closets located all throughout the home
- Off season storage on the upper floor

****Balcony is 400 Sq. Ft****
