Description

NDG B1028

A stunning addition to our Barna Log House Collection, The Spruce Creek is the vacation home you've been looking for! Step onto the gorgeous front porch with a vaulted ceiling and log accents and into the open floor plan, which incorporates the Living Room and Kitchen/Dining into one space. An optional corner fireplace is sure to add warmth to this space and encourage quality family time. Take the gathering outside to the Screened Porch, where you will never have to worry about pesky bugs again! Back inside, a hallway leads way to a functional laundry room, hall bath, and Bedrooms 2 and 3. Upstairs is entirely devoted to your Master Suite, complete with two large closets and a private Master Bath with dual vanities. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
