Description

NDG B1038

A stunning addition to our Barna Log House Collection, The Monteagle showcases two gorgeous Entry Porches, one framed by charming wood posts below a gorgeous porch balcony and the other by a breathtaking stone arch. Stepping inside from the first porch, you will find yourself in the expansive open floor plan. Open to the Loft and Balcony above, the Great Room serves as the centerpiece, with a cozy fireplace to the left and a spiral staircase leading up to the right. Ahead you will find the Dining Room and Kitchen, which features a center island with seating for 2 and accesses the large rear Deck. To the right, you can step into a hallway that leads into the 3-car garage or a half bath and Laundry/Storage Room on either side.

On the left side of The Monteagle, your Master Suite awaits! The spacious master bedroom has an additional fireplace and windows throughout. Your luxurious master bath has all the amenities, including a dual sink vanity, corner whirlpool tub, separate shower, and a huge walk-in closet. Head upstairs to check on the kids, where the Balcony will lead you to Bedrooms 2 and 3 and the hall bath in between. Bedroom 3 features a huge storage closet, and the Loft accesses a Covered Porch overlooking the first Entry Porch. Back outside at the stone Entry Porch of The Monteagle, you will step to your left, which leads you up another set of stairs to the massive Bonus Room. This space has tons of closet space, a half bath, and a Balcony Deck, perfect for a game room or playroom for the kids. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
