Description

NDG B1037

A stunning addition to our Barna Log House Collection, The Jellico accentuates a light wood exterior with a stone skirt and chimney for that cozy cabin feel. Stepping inside from the 2-car garage takes you into the Laundry Room, serving a double purpose as a mudroom entry. Leaving this space, you will find yourself in the Great Room, which shares a high ceiling with the Loft above and opens to the Dining Room and Kitchen. This open floor concept allows the fireplace to be enjoyed even by the cook, while using all the counterspace and walk-in pantry to prep or clean up. Continuing into a hallway, you will pass by a sizeable closet before reaching Bedrooms 2 and 3, each with a spacious walk-in closet and a hall bath in between.

Heading to the upper level of The Jellico, you will step onto a Loft overlooking the Great Room below before entering your beautiful Master Suite. The master bedroom boasts plenty of natural light, as well as a huge walk-in closet for all your wardrobe essentials. The Master Bath will be your favorite, with luxuries of a corner whirlpool tub, dual vanities, and separate shower. Continue down the Loft to find a large Bonus Room with tons of storage, perfect for family game nights! How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
