Description

NDG B1035

A stunning addition to our Barna Log House Collection, The Boone exhibits breathtaking curb appeal with tall bay windows accentuated by arched windows above and a gorgeous Deck and Covered Porch, which expands into a Gazebo just behind the 2-car garage. Inside, you will find yourself in the massive Great Room, where the tall bay windows look out onto the deck. Moving farther into the home, past the pass-through fireplace that is shared with the adjacent Master Suite, allows you to explore the open floor plan. With this layout, the Great Room flows seamlessly into the Kitchen/Dining space, where you will find an eat-at center island and walk-in pantry for all your cooking needs. The space also offers access to the half bath and Laundry Room, which also serves as a mudroom entry from the 2-car garage.

Cozy up with a book, or get some work done, in the Study/Library before retiring to your luxurious Master Suite, located on the left side of The Boone! The huge master bedroom with optional skylights shares the pass-through fireplace with the Great Room, and you even have the option to include a door for private access to the front Covered Porch. Step into the Master Bath to enjoy his and her sinks, a separate tub and corner shower, and a spacious walk-in closet! Head upstairs to the perfect space for the kids! The Loft/Bedroom 2 has plenty of room for sleeping arrangements and is complete with a full bath. There is also a massive storage area to suit any purpose you need. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
