- Depth In.: N/A

Description

NDG B1031

A stunning addition to our Barna Log House Collection, The Glenwood gives off that cozy cabin feel, with log posts framing a classic front porch. Inside, you are greeted by the open floor plan, incorporating the Great Room and Kitchen/Dining spaces into one. The fireplace serves as the centerpiece, while an eat-at bar counter in the Kitchen allows for casual snacking and chats with the cook. The gathering continues just outside, where a charming Grilling Porch encourages outdoor meals and summer barbecues. On the right side of The Glenwood, you will find the Master Suite, as well as Bedroom 2. Each share a hall bath, although you will enjoy a private half bath adjoining it directly from your master bedroom. The hall bath also houses the washer and dryer. Upstairs, a spacious Loft leads you into Bedroom 3 and 4, as well as a shared full bath. How

would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing

info@nelsondesigngroup.com or calling 870-931-5777
