Description

NDG B1012

A stunning addition to our Barna Log House Collection, The Eagle Ridge II first welcomes you with a light wood exterior, picture frame windows, and a wrap-around deck for look of Southern charm. Stepping inside from the Deck, you will find yourself in the open floor plan, incorporating the Dining Room, Kitchen, and Great Room into one space. The Great Room features a stone fireplace and cozy Sitting Area for family to enjoy quality time together, while an angled eat-at bar counter separates the Kitchen from the Dining Room for plenty of gathering opportunities. Nearby you will find a Laundry/Mudroom accessing the Deck near the Entry Porch, ensuring those dirty shoes never go too far inside. On the left side of The Eagle Ridge II is your Master Suite, where a spacious bedroom leads out onto the Deck and a walk-in closet offers plenty of wardrobe space.

The Master Bath features a relaxing corner shower and can also be accessed from the Dining Room. The upper level houses a Loft/Office that is open to the open floor plan below, as well as two additional bedrooms. Bedroom 2 has tons of storage space, with a closet and two attic spaces, while Bedroom 3 boasts tons of space, a walk-in closet, and a private bath with a linen closet, also accessible from the hallway. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
