Description

NDG B1010

A stunning addition to our Barna Log House Collection, The Westwind IV invites you in through lovely bay windows and gable dormers with private decks. Inside, the bay windows give the huge Great Room a wonderful view and plenty of natural light, while the stone fireplace adds a sense of warmth to the space. Partially open to the Great Room, the Family Room provides even more opportunities to gather with family and accesses the rear Deck. To the right, you will find the Dining Room and Kitchen, which features a center island with seating for 4 and a spacious walk-in pantry. On the left side of The Westwind IV, your Master Suite awaits! The master bedroom is huge and boasts private access to the rear Deck, as well as a large walk-in closet. The Master Bath is sure to please with a corner whirlpool tub and separate shower. The kids will love their

space upstairs, complete with a Loft open to the lower level and a full bath, which includes a whirlpool tub and separate shower. Bedrooms 2 and 3 are also found here, each with tons of closet space and small private Decks overlooking the front of the property. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
