Description

NDG B1027

A stunning addition to our Barna Log House Collection, The Springview gives a warm welcome to guests, invoking feelings of a cozy cabin nestled in the heart of the woods, bothered by nothing but the sounds of birds chirping and crickets singing. Stepping inside, you will find yourself in the large Great Room, with a view of the expansive open floor plan. A cozy stone fireplace offers a great place to gather, while a center island with a stove angled from the Kitchen toward the Great Room and Dining Room, allowing for the cook to join in on the festivities while prepping for or cleaning up after a meal. Family meals have never been better in the Dining Room, where a bay window allows the room to be filled with natural lighting. On the left side of The Springview are Bedrooms 2 and 3, along with a washer/dryer space directly across from the hall bath. Bedroom 2 is the larger

of the two and boasts two sizeable closets, while Bedroom 3 enjoys a spacious walk-in closet. Step into luxury upstairs, where your Master Suite awaits! A large Loft is found just outside your suite, available to serve any purpose you need. The master bedroom is huge and features a cozy dormer that would be perfect as a window seat. The walk-in closet provides plenty of space for all your wardrobe favorites, and the Master Bath allows you relax the stress of the day away in a lovely whirlpool tub. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost.
