Description

The perfect home for your traditional neighborhood, this house plan uses every square foot with no wasted space! The open great room, kitchen and dining room allows for a great living space for the family. A spacious master suite is privately located on the left side of the home and features a master bath complete with free standing tub and separate vanities. Need a bit of extra space? The optional bonus room above the garage makes the perfect guest room, game room or separate living space!
