Description

NDG 936

A stunning addition to our Midtown Village House Collection, Park Street produces excellent curb appeal for any neighborhood, with the porte-cochere and elegant finial. The corner wrap around porch will be a favorite place for relaxing on lazy afternoons. The snack bar in the kitchen makes mealtime easy when hungry stomachs begin growling. The secluded master suite offers numerous amenities, including a whirlpool tub and glass shower in the luxurious master bath. A convenient kids' nook offers storage bins for their sports equipment, and a 2-car garage offers another space for your vehicles than the porte-cochere. 3 bedrooms and a full bath upstairs complete the design, and an optional bonus room could easily serve as a playroom or game/media room for the kids.
