Description

This European style house has an open floor plan, spacious outdoor living and fabulous master suite. Brick and stone create a gorgeous exterior combination for this Nelson Design Group home. Unique amenities abound in this design from the exposed timber trusses in the dining room to the storm closet included in the master suite. An elegant, open space is created by the great room and hearth room as they merge together. Head out to the grilling porch with a convenient summer kitchen and roll up the screens for a meal a little closer to nature. This sprawling master suite will call your name at the end of the day. A corner fireplace, whirlpool tub, and a private exercise room are just a few of the reasons you will love this home.

Proposed Game Room is 1336 SQ. FT. and Bonus Room is 464 SQ.FT. Total for both is 1800 SQ.FT
