- Depth Ft.: 79
- Depth In.: 6

Description

Family oriented describes this great home plan by Nelson Design Group. A quaint covered porch leads into the foyer, which divides a study/office from the formal dining room while a timeless swinging door gives access to the kitchen. For convenience, the master suit is placed on the main level and two additional bedrooms and a large bonus area are located above. A convenient porte cochere gives protection from the elements and leads to the rear-loading garage.
