Description

Bold columns on the front covered porch of this craftsman style Nelson Design Group plan complement the exterior. This split bedroom design allows privacy for all family members and guests. Entertaining is made easy with the openness of the great and dining rooms and with the addition of the grilling porch at the rear of this home. The master suite and two additional bedrooms are comfortably located on the main floor of this home. The upper floor provides bonus space that will put your imagination to work including options for future home theater enjoyment and another bedroom for guests or an addition to your family.
