Description

This contemporary style home features a brick and siding exterior with a 2-car, front-loading garage. The spacious garage is open to the loft above and features a fireplace. The kitchen is open to the breakfast room, offering tons of counter space and an eat-at island bar and a convenient desk in the corner. A rear grilling porch is also off of the breakfast room. 2 bedrooms are on the left side of the house with a full bath in between them. Upstairs you'll find the media room/loft that overlooks the great room and a convenient office. And the master suite will welcome you with its own private covered deck and a huge walk-in closet, while the master bath features a corner shower, double vanities and a large whirlpool tub to help take your stress away.
