Description

NDG 1635

A stunning edition to our Mountain House Collection comes Home on the Ridge. With just under 700 sq.ft. of living space, this quaint little home is perfect for a lake house, or just a second place to call home. The covered front porch offers a charming entry and welcomes you inside to the Living Area, which flows into the Dining Room and Kitchen for a beautiful open floor plan. The entrances to bedrooms 1 and 2 are located on either side of the fireplace to the left of the Living/Dining Room. The full bathroom has all the essentials you need: a vanity, shower and toilet, as well as a convenient linen closet. How would you customize this amazing home plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experienced house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
