Description

This majestic looking home is designed for the larger family. A built-in window seat aids in accommodating breakfast for everyone. You'll enjoy the convenient computer center which is arranged for optimum usage by the entire family. Enjoy the privacy of your master suite and bath with skylights above, increasing the amount of natural light. Upstairs, you'll have ample room for the children and all their belongings with four additional bedrooms and walk-in closet. Space is available for an optional bonus area that can serve as the family's game room.
